

# **VPN Service Referral Program Terms and Conditions**

## **1. Eligibility**

Any user of the VPN service registered in the system.

Participants must be of legal age (18 years and older) or have the legal right to participate according to the laws of their country.

The use of false or fake accounts to obtain referral bonuses is prohibited.

## **2. How to Join the Program**

Register on the VPN service's platform/bot.

Go to the "Affiliate Program" or "Referral System" section.

Obtain a unique referral link or code.

Start sharing the link with friends, your audience, or clients.

## **3. Bonus Accrual**

Bonuses are accrued only for new users who have registered and paid for a subscription using your referral link/code.

Bonuses are accrued after the referred user's payment is confirmed.

## **4. Restrictions and Prohibitions**

The use of spam, artificial traffic generation, or fraudulent schemes to attract referrals is prohibited.

Participation in the program using fake accounts or one's own secondary accounts is prohibited.

Violation of the rules may lead to the cancellation of bonuses and blocking from participation in the affiliate program.

## **5. Payout Terms**

Bonus payouts are made upon reaching the minimum amount (specified in the personal account). There is a 30-calendar-day payment holding period (in case the referred user requests a refund).

Payouts are made to the specified payment method.

Payout processing time is up to 10 business days after the request.

The VPN service reserves the right to refuse a bonus payout if there is suspicion of a violation of the program rules.

## **6. Additional Terms**

Participation in the program may be revoked or suspended at the service's discretion.

The service reserves the right to make changes to the program rules; changes are published on the website and/or in the partner's personal account.

Continued participation after changes are made signifies agreement with the new terms.
